

HUSQVARNA TS 138

The TS 138 is a user-friendly tractor ideal for homeowners having small to mid-size gardens. It is an efficient tractor with side ejection, smart design and ergonomics. The model features a powerful Husqvarna Series engine and convenient pedal-operated hydrostatic transmission. Can be complimented with a collector and BioClip® cover.

Air Induction

Innovative Air Induction mowing system that draws clean air from the top and bottom of the deck, enhancing air flow which results in greater grass lift and superior cut.

Adjustable sliding seat

Adjustable while seated; seat moves forward and backwards.

Speed and direction are managed by pedals, which lets you keep both hands on the steering wheel, for optimum driving control.

Oversized steering wheel

Extra large and thick steering wheel for less steering effort and smoother operation

FEATURES

- Pedal-operated hydrostatic transmission
- Adjustable seat, while seated
- Air Induction; excellent cutting performance
- Oversized steering wheel for less steering effort
- Easy to get operating with automatic choke.

- Hour meter with service minder
- Manual blade engagement
- Rugged frame
- Deck Wash Port
- Solid steel hood
