

NEW 525LST String Trimmer

The Husqvarna 525LST string trimmer is designed for commercial landscape maintenance professionals who demand the best in productivity, durability, and all-day operator comfort.

High Productivity

The 525LST string trimmer combines a high-torque gear box with the industry's largest fuel tank, giving you the power needed to tackle tough jobs with fewer stops to refuel.

Commercial Durability

Built with concealed cables, a solid steel driveshaft, and a rugged skid plate, the 525LST string trimmer was designed with the durability you need all day, everyday.

All-Day Comfort

Lightweight design and LowVib® anti-vibration technology reduce stress and strain on your hands and arms, allowing you to work more comfortably for longer periods of time.
