

HUSQVARNA R 316TsX AWD

Powerful and versatile Rider with twin-cylinder engine and All-Wheel-Drive. The 112cm Combi cutting deck offers first-class results. Suitable for landowners who demand superior efficiency, manoeuvrability and perfect results all year round. The articulated steering system and front-mounted cutting deck enables intuitive operation, excellent mowing accessibility and great overview of your working area. Equipped with X:tra efficiency, an intuitive display, dual LED headlights and Bluetooth connectivity allowing you to easily monitor your rider via the Husqvarna Connect app.

Adjustable steering wheel

For greater ergonomics and comfort a telescopic steering column allows the steering wheel height to be adjusted.

HMI Display

The intuitive display communicates with the driver through visual symbols and warning sounds, assists in handling and gives real time data and warnings.

Articulated steering

The unique articulated steering system allows the rear pair of wheels to swing in underneath the machine. The result is superior manoeuvrability with a minimum turning radius at full lock.

Husqvarna Connect

With the smart Husqvarna Connect app, you'll have easy access to helpful tips, manuals and spare part recommendations. For your connected Bluetooth equipment, the app also provides additional information such as runtime and charging status as well as maintenance and service needs. The app can be downloaded, free of charge, from App Store or Google Play. **not yet available in all countries*
