

HUSQVARNA Z560X

The Husqvarna Z500 series zero turn mower represents the latest design focused on productivity, durability and cut quality. Providing extreme comfort, high ground speeds and superior traction adds up to exceptional mowing efficiency. Industrial strength throughout the entire design assures a long & durable service life in commercial mowing applications. Careful design consideration provides unprecedented ease in serviceability.

LED fuel gauge

The automotive style LED fuel gauge lets you know exactly how much fuel is remaining and warns you when you are too low.

AGM Battery

A smaller and more robust battery adopted from the transportation industry provides better reliability, improved longevity and more service space.

Cast aluminium spindles

10" diameter commercial cast aluminium spindles with tapered roller bearings more effectively spread impact loads for extended durability.

Heavy duty fabricated cutting deck

A deep draw deck, heavy duty cutting blades and an efficient flow design allow for rapid cut speeds with a high quality finish.
