

HUSQVARNA TC 138T

The TC 138T is ideal for homeowners and landowners with medium sized gardens who need a durable and comfortable tractor with high maneuverability. It is an efficient garden tractor that offers excellent collection of grass clippings as well as leaves, giving tidy cutting results. The spacious, integrated collector is easily emptied from the driver's seat. Equipped with a powerful Husqvarna V-Twin engine, pedal-operated hydrostatic transmission and cast front axle for extra convenient and trouble-free operation.

Electric blade engagement

Convenient blade engagement. Simply pull a switch on the control panel.

Mulch (BioClip®) from seat

Easy switch between collecting and BioClip (mulching) mode by means of a dashboard-operated central actuation device. You don't have to leave the driver's seat.

Pedal-operated Automatic transmission

Speed and direction are managed by pedals, which lets you keep both hands on the steering wheel, for optimum driving control.

Oversized steering wheel

Extra large and thick steering wheel for less steering effort and smoother operation
